

Three Kings Day

©ElementarySafety.com

Epiphany or "Three Kings Day" is the day we celebrate the visit of the Wise Men, or Three Kings. They came to Bethlehem following a star to visit baby Jesus after his birth. They gave him myrrh, frankincense and gold. In many parts of the world like Spain, Mexico and other Spanish-speaking areas, people eat a ring-shaped cake or "Rosca de Reyes" with a small, plastic doll inside of it.
